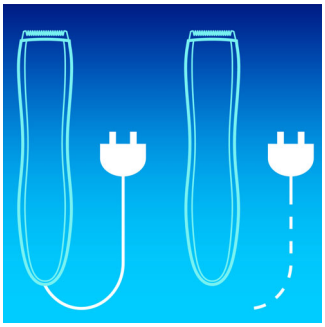
Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility; they never need to be oiled.

Corded and cordless use



Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

Diamond-like carbon blade

Cutting edge stays sharp 3 times longer than traditional stainless steel blades.

Ergonomic design

Easy to hold and use, it's designed to help you trim those hard-to-reach areas.

High-performance trimmer

The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.
